

## School Updates

Due to **COVID-19**, DoD Dependent Schools (DoDDS) ended School Year (SY) 2019-20 with e-learning. This fall, DoDDS plans to open as a traditional brick-and-mortar school. New or modified practices/strategies will be **implemented** into daily campus life to continue keeping students and faculty safe.

**Online student enrollment site is down:** SY 2020/21 student enrollment will take place in person at your child's zoned school. Parents are expected to follow DoD social distancing guidelines.

**First day of school:** Grades 1-12 students begin on 24 August 2020 / Kindergarten, 31 August 2020 / Sure Start, 8 September 2020

## School Transition Checklist: Okinawa, Japan

### Before the Move

- ✓ Notify sending school of student withdrawal as soon as you receive orders. Request sending school to prepare school records for pick-up before PCS.
- ✓ Hand-carry during PCS:
  1. Orders
  2. school records
  3. child's immunization records
  4. child's passport and birth certificate
  5. (if applicable) legal documents pertaining to child custody

### After Arrival to Okinawa

- ✓ Receive housing orders to determine school zone. Contact the front desk of any DoDDS to identify your child's school zone.
- ✓ While normally parents enroll their child for school *online* via the DoDEA Online Registration for Students (DORS) portal ([www.dodea.edu/DORS](http://www.dodea.edu/DORS)), the site is currently down until further notice. Upon your arrival to Okinawa, report to the zoned school with **housing orders** in hand, as well as the hand-carried documents #1-5 listed above.
