## DARTS TOURNAMENT

### Rules:

1. Each team starts with 501 and takes turn throwing 3 darts.
2. Score for each turn is calculated and deducted from the players total.
3. Bullseye scores 50, the outer ring scores 25 and a dart in the double or treble ring counts double or treble the segment score.
4. Objective is to be the first team to hit exactly with the caveat being that the last dart thrown must land in a double or the bulleye.
5. If a player reduces the score to 1 or goes below zero, the score is bust, that turn ends immediately and the score is returned to what it was at the start of the turn.
6. Best 2 out of 3 to win
