## **THE WHITE GHOST ON THE LEFT**

There are many ghost stories, but none as scary as this one. This one is a true story. One unexpected evening, Jimmy experienced the scariest walk home of his life. When Jimmy was a little boy, he always stayed at his friend's house until the sky turned pink and orange. Then he would walk home all alone and make it in time for dinner. Living only two blocks away, he was never scared, nor worried. One evening, he was asked to stay for dinner at his friend's house.

They served him stir fried with a side of white rice. The food was delicious! By the time Jimmy finished eating, the sky had turned into a darker shade of blue, with no pink in sight. This was the first time Jimmy walked home this late. He wasn't worried though, he could see his front porchlight glowing, at the end of the block. After taking a few steps down the block, Jimmy quickly noticed someone or something on the left side of the road. Following him. It seemed like this "someone" was wearing a long white t-shirt. It had to be his friend sneaking up on him, trying to prank him, he thought. He turned his head towards the white t-shirt figure and shouted, "I SEE YOU!" But no one was there. Jimmy looked very confused, but he took a deep breath and put on his brave face. 'One more block,' he thought to himself. Startled by all of this, Jimmy started pacing faster. Then he noticed the figure, moving just as fast as he was.

Staring straight ahead of him, getting closer and closer to home. He was scared now and realized he was almost running. 'Be cool,' he told himself. Pretending not to care, he slowed down his pace, but noticed the blurry white figure slowed down, as well. Jimmy was able to pay closer attention to this blurry white figure, still at the corner of his left eye. It was a floating.

This thing following him didn't have any leg movements. Gliding slowly following him! Jimmy dashed to his front porch with his eyes closed. Running as fast as he can until he reached the front door and entered it! With his quick thinking, of course, Jimmy shut the door behind him and locked it. With a giant sigh of relief, Jimmy thought, "I'm safe now." When he opened his eyes to relax, he noticed...

THE GHOST was inside the house with him. Still at the corner of his eye. Floating next to him. Jimmy shouted and did the only thing he could think of, he ran to his parent's room! With his eyes still closed, "I SAW A GHOST! I SAW A GHOST!!" "IT WAS ON THE CORNER OF THE ROAD AND THEN IT FOLLOWED ME HOME!!" His mother stood up and quickly looked around the room.

Then she looked at him again. Shaking her head in disbelief. She asked him to open his eyes and tell her again. So, he opened his eye, trying his best not to look left. Jimmy pointed his finger to the corner of the bedroom and whispered, "It's in the bedroom with us, Mom." His whole heart dropped to the ground as his mother placed her hands on his shoulders. "You're right." She inhaled, "It looks like you brought something home with you." She walked him towards the mirror, but he quickly shut his eyes. "Do you know why ghosts hate mirrors?" His mother started, "They hate being discovered, you know why? Once you know who or what they really are, they can't scare you anymore." She had him facing the mirror, now, "Would you like to see 'Your Ghost'?" Jimmy slowly opened his eyes and stared into the mirror. Looking up and down and all around the corners of the mirror, he finally saw it! There it was! Right in front of him. It was sticking to his skin, on the corner of his left eye...

A TINY GRAIN of WHITE RICE!!!

The End.

## **The Scary Sound**

I was walking in the forest it started to rain. I saw a cabin.

I laid down on the floor. I heard a sound. "I got you where I want you, now I'm gonna eat you!" I was scared.

I wondered where the sound came from? I heard it again and again. "I got you where I want you, now I'm gonna eat you!" A secret door opened. I walked down. I saw a curtain. I opened it. I saw a monkey with a booger on his finger saying "I got you where I want you now I'm gonna eat you!"

## **A Spooky Night**

It was Halloween and Jake, Luke, and Alexandra were waiting for people to have their candy. "What time is it?" Luke complained. "It is 6:20" Jake said. Just then, a big group of kids came to their house. A boy named Aaron came with a New York Yankee suit on. He said "trick or treat!" He picked a blue sucker. Next, came two kids named Ben and Lydia and they said "trick or treat." They both got Snickers. Next, came a real ghost! Alexandra said "close the door!" In a second, several ghosts and bats came to the house and they scared off the people. Oh no! But Ben was in the house with his friend Hannah. Ben said "turn on the Nintendo Switch! If we play seven games in five minutes, Luigi will get the ghosts!" They played seven games in 4.59 minutes. Luigi is alive! Luigi said "I need to go outside to get the ghosts." He opened the door and sucked up the ghosts, but there were still the bats. So, they called Batman to take out the bats. Batman said "Yes!" So he drove in his Batmobile and got there in 1 minute's time. He said "where are the bats?" "Right there," Jake said. Batman said "come with me bats, you are my new pets." And that is how Luigi and Batman saved Halloween.

The End.

## **The Takeover at School**

One day Sahar was at school. She asked her teacher, Ms Dews, if she could use the bath room. Sahar went to the bathroom and when she was washing her hands, she got a strange feeling. When she came back to the classroom, the whole classroom was empty with papers scattered around.

Then, suddenly, she heard a voice behind her. She got surprised and she turned and saw a ... ZOMBIES. But not just any zombie, it was her teacher, Ms Dews. A girl named, Sammie, from Mr. Ferguson's class next door jumped in front of Sahar and yelled, "LEAVE HER ALONE." Sammie and Sahar snuck past the zombie and ran to the science lab. They made a potion to cure the zombies and just then Ms Dews, the zombie, walked in. They gave her the potion and she turned back into herself and felt kind of confused.

Sahar and Sammie explained everything and then cured all the zombies at the school. Next, they went on an airplane to fly to the United States to see the President to tell him about the zombie apocalypse and their cure.

The President said, "These girls are the heroes of Kadena Elementary School." He then asked, "What caused this zombie apocalypse?"

And they replied, "we ... don't .... know,."

He had giant eyes and it looked like he was a skeleton too! In his house I saw his mom giving out candy to the trick-or-treaters but the trick-or-treaters were too scared, so they ran off. I looked around the room it was filled with zombie stuff. So I ran away as fast as I could after I got candy from the zombie mom. The end.

## **The Lost Leonard**

Once at a haunted camping area, there was a boy. His name was Leonard.

One day Leonard had to go to the bathroom in the middle of the night. He had his flashlight, canteen, and his toothbrush, but all of a sudden, the light of his flashlight went off. It was so dark that Leonard couldn't find his way back.

He wandered for days, weeks, and finally YEARS! People say he's still lurking around here as a ghost! We call him "The Lost Leonard." Luckily, three kids are off to find Leonard and change him back. Their names are Ruth, Ben, and Matt. "Guys!" Ruth shouted behind the bushes. "Look what I found." Ben and Matt gasped. "What is it?" asked Ben. "It's a map," explained Ruth. "Cool, what's it for?" asked Matt. "I...I don't know," Ruth answered. "It shows the forest. Maybe we should go there," Ben told them. They all agreed, so they went deep down in the haunted forest – right where Leonard camped. "Why is there a ghost on this map?" Ruth asked Ben. "It doesn't matter!" laughed Ben. "Besides, ghosts aren't real," he snapped. "Wait, where is Matt?" panicked Ruth. Just then they heard a noise. "Oooooooooooooo." "What was that?" screamed Ben. They ran out of the forest.

"We have to do something to save Matt!" squealed Ruth. "What if we can't?" asked Ben seriously. "We have to try," said Ruth, pulling Ben's arm back to the forest. As they returned to the forest, they immediately saw a white figure. Ben started to run away, but Ruth yanked his arm back. "Oooooooooooooo" the ghost said. "Guys, over here!" shouted Matt from behind a tree. "You're okay!" cried Ruth. All of the sudden, it was pitch black everywhere. The only thing they could see was the ghost. It was Leonard! He came closer.

"Oooooooooooooo," Leonard said.

"Stop!" screamed Ben. So the ghost stopped. "...Do you want to come play with us?" Matt asked the ghost. Ruth giggled. "You want to play with ME?" asked Leonard. "Of course," Matt said. Ruth's giggle turned into a huge laugh. She couldn't believe they were going to play with a ghost! Leonard had been lonely all these years, and he was excited to finally have friends to play with again. They played for a long time that night. With all their friendliness Leonard was able to turn back into a human, and he wasn't lost any more.

## **Stella and Charlotte**

Stella and Charlotte were the best of friends. It was Halloween and Stella and Charlotte went trick-or-treating deep into the night. They dressed up as two peas in a pod. The night was dark and spooky. They could see bats flying in the air and the wind was howling. Out of nowhere they heard a loud "BOO!" Stella and Charlotte were scared! They both jumped. The voice was deep and low. "That was very strange. Maybe it's a zombie or a ghost," said Charlotte.

Stella said, "Maybe it's a witch or a wizard!" Just then, Charlotte tripped over a red and purple sneaker on the sidewalk. "Are you OK?" asked Stella. "Yes," said Charlotte in a mumbled voice. They ran back home without saying a sound, not even a whisper.

The next morning was sunny and bright. Stella went over to Charlotte's house. They decided to play hide-and-seek.

Charlotte's big brother, AJ played too. He was the seeker first. He found Charlotte first in the closet. He said "BOO!" with a low voice. Next, he found Stella under the table. When he found her, she saw his red and purple sneakers. "Hey!" Stella and Charlotte said together. Charlotte said, "The deep low voice!" Stella said, "The red and purple sneakers!" Together they shouted, "You are the one who spooked us last night!" "Yes, I was the one who scared you" said AJ. "You can pick out some candy from my bag if you want." "Sure!" Stella and Charlotte say. "Maybe, just maybe he isn't that bad after all.
